I think that was the final version I have, and it has track changes. Mike—do we have a final version without those track changes?

Hey Jeff,

Can you please send me a final final version without the track changes? Thanks!

Tina:

I found the document you were talking about. Updated.

Jeff,

Could you please resubmit the final version of the attached document to me as part of our review of the Montana's nutrient rule submission? I didn't see a final copy on the cd of documents that Mike included with the submission.

Thanks!

Tina
